

**Questions to help you reflect on today's message:**

- Have you read the book of Jonah? Read it, or read it again.
- When have you run away from what you knew God wanted you to do?
- When have you accepted God's call to do something?
- **Looking ahead to next week:** How would you define or explain your ministry?

*"In the darkest night God moves in and takes what we were afraid of."*  
James Finley
