

**Questions to help you reflect on today's message:**

- When you read the story of the great flood, what images come to mind? Genesis 6:5-8:22.
- What was your life's most devastating flood? How did God show up that you might persevere on the other side?
- Ponder a prayer you might say every time you see a rainbow.
- **Looking ahead to next week:** Has God ever told you to uproot and move to a new place? What if God did?

*"See the bird with a leaf in her mouth.  
After the flood all the colors come out." U2*
